

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

SECTION 4. The President shall also possess the other powers and perform the other duties elsewhere set forth herein.

SECTION 5. The First Vice-President shall perform all the duties of the President in case of the temporary incapacity of the President or his absence, and also when requested so to do by the President.

SECTION 6. The Second Vice-President shall perform all the duties of the President, in case of the temporary incapacity of both the President and First Vice-President, or the absence of both.

SECTION 7. In case the President, and both Vice-Presidents are incapacitated or absent, the Executive Committee shall designate some member to temporarily perform the duties of President.

SECTION 8. The Recording Secretary shall keep a record of the proceedings of all meetings of the members of the Association and of all meetings of the Executive Committee, and of all matters of which a record shall be ordered by the President or Executive Committee.

SECTION 9. The Recording Secretary shall be the keeper of the seal of the Association, and perform all the duties usually incident to the office herein elsewhere provided.

SECTION 10. The Corresponding Secretary shall, under the direction of the President and Executive Committee, conduct all the correspondence of the Association, and send and serve all notices pertaining to its business.

SECTION 11. The Treasurer shall keep at all times a complete roll of the members of the Association, which roll with a copy of the By-Laws attached shall be signed by all new members.

SECTION 12. The Treasurer shall collect and, under the direction of the Executive Committee, disburse all funds of the Association.

SECTION 13. The Treasurer shall keep regular accounts in books belonging to the Association, which shall be open to inspection by any member of the Association.

SECTION 14. The Treasurer shall at the annual meeting of the members of the Association, make a full report of the receipts and disbursements of the past year, suitably classified, and of all outstanding obligations of the Association, and any suggestion he may think proper to make.

SECTION 15. The Treasurer shall, whenever requested by the Executive Committee, make a report of the financial condition of the Association, and furnish a list of all members delinquent in the payment of their dues.

SECTION 16. The accounts of the Treasurer shall be audited by a committee of three members of the Association appointed by the President, which committee shall report to the Executive Committee in the month of April of each year.

SECTION 17. The Executive Committee shall have entire and exclusive control of the business of the Association, except as otherwise herein provided, and no money shall be disbursed except upon order of the Executive Committee.

SECTION 18. The Executive Committee shall pass upon all applications for membership.

SECTION 19. The Executive Committee shall possess the other powers and perform the other duties provided elsewhere herein.

SECTION 20. Parliamentary rules as given in Robert's Rules of Order shall govern at all meetings of the Association and the Executive Committee.

ARTICLE V.

SPECIAL POWERS AND DUTIES.

SECTION 1. The Executive Committee shall have power to make a finding that any member has ceased to possess the qualifications for membership required by the Fifth Article of the Articles of Association and order his name stricken from the rolls, after giving the member due notice of the intended action and an opportunity to be heard thereon.

SECTION 2. The Executive Committee shall have power to make a finding that a member has failed to pay his annual dues within thirty days after service upon him of due notice of his delinquency and to order his name stricken from the rolls, after giving the member due notice in writing of the intended action and an opportunity to be heard thereon.

SECTION 3. It shall be the duty of the Executive Committee to order stricken from the rolls the name of any member,—

- A. Who has died.
- B. Who has resigned.
- C. Who has been convicted of a felony or a misdemeanor involving moral turpitude in any court of competent jurisdiction.
- D. Who has been adjudicated in any form of action in any court having jurisdiction in the premises of having been guilty of intentional misappropriation of money or property, blackmail, extortion, or actual fraud and deceit.
- E. Who has been adjudicated in any form of action in any court having jurisdiction in the premises of having failed to account to his client for money or property received by him belonging to his client and who has failed to satisfy the judgment.
- F. Who has been disbarred or suspended from practice by any court of competent jurisdiction.
- G. Who has been expelled.

But the failure of the Executive Committee to strike the name of such member from the rolls shall not thereby effect the retention by such member of his membership, if the fact which has terminated his membership exists: and any other member shall have the right to object to such

member exercising any of the privileges or performing any of the duties of membership by reason of such fact.

SECTION 4. Whenever charges shall be preferred against a member by another member or by a non-member or by any judicial officer, the charges shall be referred to the Executive Committee for examination. If the charges are made by a member or non-member he shall be required to reduce them to writing and file them in duplicate with the President or Recording Secretary. If the charges are made by a judicial officer, they shall be reduced to writing in duplicate on information and belief under the direction of the Executive Committee.

Thereupon the Executive Committee shall proceed to the examination of the charges in manner following:—

If the charges state a *prima facie* case of unprofessional conduct on the part of the accused member of sufficient gravity if true, to warrant the expulsion of the member, a copy of the charges shall be served upon the accused member either personally or by registered mail with a notice that the accused member may file with the Recording Secretary an answer to the charges at any time within ten days after service. The Executive Committee may extend the time in which the accused member may file such answer.

Upon receipt of an answer in duplicate from the accused member, one copy of the answer may be delivered to the complaining party in the discretion of the Executive Committee.

Upon the receipt of the answer or in default thereof after the time for an answer has elapsed, the Executive Committee as a whole or through a sub-committee shall proceed to examine into the charges in the manner and at the times it deems suitable.

If no answer has been filed and, as the result of the examination, the Executive Committee are still of the opinion that the charges are of sufficient gravity to warrant expulsion of the member and that there is evidence of the truth of the charges, the Executive Committee shall thereupon make an order expelling the member and striking his name from the rolls.

If an answer has been filed and, as the result of the examination, the Executive Committee are still of the opinion that the charges are of sufficient gravity to warrant expulsion of the member, if true, and that there is reasonable evidence of the truth of the charges, the Executive Committee shall direct a trial of the charges in manner following:—

If the charges are of such a nature that the Executive Committee are of the opinion that it is practicable to ascer-

tain their truth or falsity in a proceeding in a court of law, they shall recommend the institution and prosecution of such a proceeding. And if they deem best and the complaining party consents, the President shall appoint a Prosecuting Committee from the members of the Association to assist in or have charge of such proceeding in the court of law.

If, as a result of the proceeding in the court of law, a judgment or decree is rendered in effect adjudicating the charges or the material portions thereof to be true, the accused member shall thereupon be expelled by the Executive Committee.

If, as the result of the proceeding in the court of law, a judgment or decree is rendered in effect adjudicating the charges or the material portions thereof to be not true, the accused member shall be exonerated by the Executive Committee and the charges dismissed.

If no judgment or decree is rendered in the proceeding within a reasonable time because of delay or postponement caused by either party, or if the suit is discontinued by the complaining party, the Executive Committee may dismiss the charges or proceed to ascertain their truth or falsity in manner following:

If the charges are of such a nature that the Executive Committee are of the opinion that it is not practicable to ascertain their truth or falsity in a proceeding in a court of law, the Executive Committee shall order the trial of the truth or falsity of the charges before five disinterested and unprejudiced members of the Association, not officers or members of the Executive Committee, who shall be appointed by the President as soon as practicable after the annual meeting at which the President is elected and within thirty days after such meeting. Such five members shall constitute the Committee on Discipline and shall hold office until the next annual meeting and until their successors are appointed and qualified, and shall act as judges.

On the trial of any accused member, such accused member and the prosecuting committee hereinafter provided for shall each have the right peremptorily to excuse one of the judges and in such event the President shall appoint a disinterested member or members of the Association to fill the vacancy or vacancies so caused, who shall act as judge or judges on such trial only.

The judges shall have complete power over the subsequent proceedings and shall conduct the trial as near as may be in the manner suits at law are conducted, except that the

witnesses shall not be sworn, and that such trial shall not be in public unless the accused shall so desire. The judges shall hear all the testimony and render a decision which shall be final and not subject to appeal, provided a majority of the judges unite in the decision and report that the trial was conducted as near as may be in the manner suits at law are conducted (except that the witnesses were not required to be sworn) and each party had an opportunity to be present and hear all the testimony and cross-examine witnesses.

If a majority of the judges unite in a decision and report as aforesaid that the accused member has been guilty of unprofessional conduct, the member shall thereupon stand expelled from the Association without further action.

If a majority of the judges do not unite in a decision and report as aforesaid that the accused member has been guilty of unprofessional conduct, the charges shall stand dismissed without further action.

The Executive Committee may return a decision and report to the judges for completion or the correction of mistakes in form.

In case of a trial before judges who are members of the Association, if the Executive Committee deem best, a Prosecuting Committee from the members of the Association

shall be appointed by the President, which committee shall assist or have charge of the prosecution.

SECTION 5. Whenever charges of unprofessional conduct shall be alleged against any member in the public press or by common rumor, the President, upon the request of any three members of the Association shall appoint a sub-committee of the Executive Committee to examine into the charges, which committee shall examine and report whether the charges are worthy of further examination. And if, in the opinion of the sub-committee, the charges are worthy of further examination and the Executive Committee shall accept their report, the President shall appoint a Prosecuting Committee to formulate the charges in writing in duplicate on information and belief; and thereupon the same procedure shall be had as provided when charges are preferred by a member.

SECTION 6. It shall be the duty of the Executive Committee to recommend to the proper court the disbarment or suspension from practice of any member of the Bar of Wayne County, who has been adjudicated guilty in any form of action by any court of competent jurisdiction of a felony, a misdemeanor involving moral turpitude, the intentional misappropriation of money or property, extortion,

blackmail, or actual fraud and deceit, or who has likewise been adjudicated guilty of withholding from his client money or property received in his professional capacity and belonging to his client and has failed to satisfy the judgment.

SECTION 7. It shall be the duty of the Executive Committee to recommend to the proper court the disbarment or suspension from practice of any member of the Bar of Wayne County, who has been guilty of unprofessional conduct of sufficient gravity to warrant his expulsion from membership in the Association, if a member thereof.

SECTION 8. Whenever disbarment proceedings are ordered to be commenced against any member of the Bar of Wayne County by any court of record in Michigan and the assistance of the Association is requested by the court or by a judge thereof, it shall be the duty of the President, if the Executive Committee so orders, to appoint a Prosecuting Committee to assist in or conduct the prosecution of such proceedings.

SECTION 9. It shall be the duty of any member when requested so to do by the Executive Committee or the judges appointed to try charges of unprofessional conduct against a member, to attend at any meeting of the Executive Committee or sub-committee and at any trial aforesaid, and

answer all proper questions and exhibit books and papers, provided that the member is not asked to incriminate himself or disclose any confidential or privileged information.

SECTION 10. It shall be the duty of all members to act as judges and prosecutors, when appointed by the President, provided they are qualified so to act.

SECTION 11. It shall be the duty of the Executive Committee to inquire into all alleged abuses of power and authority and improper conduct on the part of any judicial officer holding court in the City of Detroit; and in case the Executive Committee think proper, they shall report the same to the Association with their recommendation.

SECTION 12. It shall be the duty of the Executive Committee to inquire into any alleged improper conduct on the part of any court officer or commissioner in Wayne County and take such action or no action in the premises as they think proper.

SECTION 13. It shall be the duty of the Executive Committee to examine into all matters, which concern the welfare and usefulness of the Bar of the City of Detroit and act in the premises in case they are expressly authorized by the Articles of Association and these By-Laws so to do:— and if not, to make report thereon to the Association.

ARTICLE VI.

ELECTIONS AND NOMINATIONS.

SECTION 1. Not less than thirty days before any primary election shall be held, at which candidates for the office of judge of any court of record in Wayne County are to be selected, the Executive Committee shall fix a time and place for receiving the vote of members of the Association, indicating their preference for candidates of each political party, which time shall be at least five days prior to the last day fixed by law for receiving the names of candidates to be voted upon at such primary election. The Corresponding Secretary shall thereupon give not less than ten days' notice by mail to each member of the Association, stating the time, place and the purpose of taking such vote.

SECTION 2. Any five members of the Association may place any person in nomination for such election by filing such nomination in writing, signed by them with the Recording Secretary of the Association not less than three days before the time fixed for taking such vote, which nomination shall also bear the acceptance in writing of the candidate proposed, and shall show the political party for which such nomination is suggested.

SECTION 3. At the expiration of the time fixed for receiving nominations, the Recording Secretary, under direction of the Executive Committee, shall cause printed ballots to be prepared, which shall contain the names of all candidates so nominated, placed in an order determined by lot, in columns indicating the political party for which the nomination of a candidate is suggested. The ballot shall be in the following form:

**BALLOT INDICATING PREFERENCE FOR

Each member is entitled to vote for a candidate for each office for each political party. Place cross (X) opposite the name in the proper column.

The names of any members signing any nomination shall not be disclosed by any officer or by the Executive Committee.

SECTION 4. At the expiration of the time limited for receiving nominations, the Executive Committee shall appoint a committee of three members of the Association, not members of the Executive Committee or named as candidates, who shall be a committee on elections, and shall have charge of all necessary arrangements for such election, which shall be conducted, as near as said Committee may deem expedient, like primary elections. Such Committee shall also have charge of the ballot-box during the election and of the counting of the votes. The necessary expenses of election shall be paid from the treasury of the Association.

SECTION 5. On the day fixed for the election, the polls shall be opened at 9 o'clock A. M., and shall remain open until 4 o'clock P. M., during which time ballots shall be received and deposited in a locked ballot-box. Each member shall be entitled to cast one ballot, upon which he may indicate by a cross a candidate for each office to be filled for each political party, but no member shall vote who is delinquent in his dues. Any ballot containing a greater number of nominations shall be rejected and not counted.

SECTION 6. Immediately upon the closing of the polls, the Committee on Election shall proceed to count the ballots and shall make written report of the result of such count to the Executive Committee, who shall thereupon make public announcement of the entire vote in the newspapers for five days before the primary election.

SECTION 7. If the two political parties, which polled the largest number of votes at the last election for Governor of Michigan shall at any election for a judge of a court of record in Wayne County agree not to hold party primaries or party conventions and consent to non-partisan nominations, the Executive Committee shall so alter the form of the ballot and the method of nominating and balloting as to make the same wholly non-partisan, and each member shall express his preference without regard to party.

SECTION 8. Immediately after a vacancy exists in the office of judge of any State court of record in Wayne County, which vacancy will be filled by appointment and not by popular election, the Executive Committee may fix a time and place for receiving the vote of members of the Association, indicating their preference regarding the person to receive the appointment.

The Corresponding Secretary shall thereupon give not less than five days' notice by mail to each member of the Association stating the time, place and the purpose of taking such vote.

SECTION 9.
